Potential Bidders – North 16 Stewardship IRTC (#51084)  
Motor Vehicle Use – CFR 212.51

Dear Interested Party:

For the duration of the advertisement period for North 16 Stewardship IRTC, you are authorized to use an OHV (or other vehicle 65" or less in width at the widest point on the vehicle and having low pressure tires) on those roads (system and temporary) shown on the attached Sale Area Map and table from Special Provision KT-FT.1.2# of the Sample Contract.

As has been the case for some time now, cross country use of an ATV or OHV is not permitted. In addition, per CFR 261.12d, the following is also prohibited: damaging and leaving in a damaged condition any such road, trail, or segment thereof. Many of the roads in this Contract Area are scheduled for reconstruction or pre-haul maintenance activities through the timber sale contract due to the current condition of the road. Please use your judgment when determining if you can travel the road without causing further resource damage.

You must have this authorization in your possession while in the North 16 Stewardship Contract Area.

Sincerely,

SUSANNE M. ADAMS  
District Ranger
