These Annual Operating Instructions (AOI) are made part of your grazing permit consistent with Part 1, item 3 and Part 2, Item 8(a) of your Term Grazing Permit for the Silver Creek Allotment and are considered an extension of your term grazing permit.

The move-on date is only a guide since the on-date will be when range readiness occurs. Move dates are dependent on precipitation and temperature and their effects on vegetation production.

No ground disturbing activities should be conducted on the National Forest by the permittee or their personnel without approval from the Rangeland Management Specialist or other District staff.

Grazing fees must be paid before livestock can enter the National Forest. Please notify Forest Service Rangeland Management Specialist, Gary Hayward at 367-4326 before cattle are turned onto the National Forest.

Situations may develop during the grazing season which require changes to these instructions. If this becomes necessary, or if you cannot comply with some part of these instructions, contact Gary Hayward and obtain approval from the District Ranger before initiating changes or deviating from these instructions.

If you have any questions concerning these Annual Operating Instructions, please call Gary Hayward in Pinedale at 367-5723.

Sincerely,
