Award shall be made to the *quoter*, whose *quotation*, is evaluated as the lowest priced technically acceptable. The government will evaluate information based on the following evaluation criteria: (1) *technical capability factor "meeting or exceeding the requirement listed in Attachment 1, (2) past performance, and (3) price. The government will evaluate information based on the following evaluation criteria:*

The following factors and sub-factors will be used to determine technical acceptability:

Factor #1-Technical Capability of the Item Offered

Subfactor #1 – Ability of Item to Meet Required Specifications – In order to receive a rating of “acceptable” for this subfactor, quote must at a minimum, demonstrate item specifications that meet or exceed the required item specifications. Provide specifications that meet or exceed those provided in Attachment 1.

Subfactor #1 – Ability to Meet Delivery Schedule – In order to receive a rating of “acceptable” for this subfactor, quoter shall provide a schedule for delivery that meets the desired delivery date.

Factor #2 – Past Performance

Subfactor #1 – Recency and relevancy of present/past performance in relation to this effort – In order to receive a rating of “acceptable” for this subfactor, quoter must, at a minimum provide past experience on similar type contract(s). The past experience should indicate successes of the contractor in completing /meeting delivery dates and customer satisfaction. The Government considers “recent” present/past performance to be within the past 3 years. The Government considers “relevant” present/past performance to be present/past performance effort involved in similar scope and magnitude of effort and complexities this solicitation requires.

The Government may also use past performance information obtained from other than the sources identified by the quoter. Information obtained from the Past Performance Information Retrieval System (PPIRS) database located at <http://www.ppirs.gov> is one of the sources that will be utilized. PPIRS functions as the central warehouse for performance assessment reports received from several Federal performance information collection systems and is sponsored by the DOD E-Business Office and administered by the Naval Sea Logistics Center Detachment Portsmouth.

NOTE: *In accordance with FAR 15.305 (a)(2)(iv)), in the case of an offeror without a record of relevant past performance or for whom information on past performance is not available or so sparse that no meaningful past performance rating can be reasonably assigned, the offeror shall be determined to have unknown past performance. In the context of acceptability/unacceptability, “unknown” will be considered “acceptable.”*

Factor #3 - Price
