The minimum acceptable bid for advertised timber is \$1,515.50 for the biddable species.

There is a \$200.00 bid guarantee required on this sale.

This sale is being offered under a 7 day advertisement period due to the urgent need to remove fire salvage timber.

The purchaser of this sale will be required to meet all the requirements in the California Regional Water Quality Control Board waiver. A copy of the waiver may be found on the Klamath National Forest website.

There are surface replacement deposits in the amount of \$1.22 per mbf.

The cruised volume was adjusted manually outside of the actual cruise files. There is a BF-CF volume adjustment worksheet that indicates the original cruise volumes and the reduced revised volumes for the contract. A description of how the reduced volume was calculated is located in the prospectus, in addition to a brief explanation in the worksheet.

Documentation and other information for this sale may be requested from the Forest Supervisor's Office or may also be found on the Klamath National Forest website at www.fs.usda.gov/klamath.

If you wish further information on this sale, the prospectus and bid form, please write or call the Klamath National Forest Supervisor's Office.

Sincerely,

TARA D. JONES
