

Evanston-Mountain View Ranger District **Ornamental Permits**

June 17<sup>th</sup>-November 14<sup>th</sup>, 2016

**Information:**

1. Permit is good only on the Evanston-Mountain View Ranger District.
2. Trees/ shrubs have 50% survival rate.
3. All types of trees and shrubs may be taken.
4. Permits are non-refundable.
5. Trees survive better if they are planted within 500 feet of the elevation from which they were taken.
6. Smaller trees tend to survive better. Larger trees need a larger root ball to survive.
7. **Do Not** remove ornamental transplants within 50' of roads.
8. Fill out the product quantity removal record before digging up ornamentals.
