To: Potential Bidders- Cert Stewardship Sale

For the duration of July 9th-July 17th, 2016 you are authorized to use an ATV (or similar vehicle 60" or less in width at the widest point on the vehicle) on system trails within the Contract Area Boundary for sale assessment purposes. Refer to the Contract Area Map included in the solicitation package for trail and Payment Unit locations.

Cross country use of an ATV is not authorized. Your vehicle must remain on a designated trail. Per 26 CFR 261.12c- National Forest System roads and trails, the following is also prohibited: damaging and leaving in a damaged condition any such road, trail, or segment thereof. Please use your judgement when determining if you can travel the trail without causing resource damage.

You must have this authorization in your possession while in the Cert Stewardship Contract Area. Present this letter to the attendant at the Indian-Celina gatehouse as well.
