

PRELIMINARY ADVERTISEMENT

SALE OF NATIONAL FOREST TIMBER

The Forest Service intends to advertise timber designated for cutting in the following proposed timber sale area on the Ouachita National Forest prior to July 31, 2016. The Twin Ponds Insect Salvage Timber Sale is located within T2S, R25E, Sections 11, 12, 13 and 14. The sale contains a preliminary estimated volume of 6,601 Tons of timber designated for cutting (Weight Scale). This sale does not include specified road work. This advance notice is to afford interested parties time to begin examination of the sale and preliminary sale data prior to the final advertisement. Interested parties may obtain information and maps about the sale area from the District Ranger's Office, Hochatown, OK or Forest Supervisor's Office, Hot Springs, AR. Preliminary sale information is also posted on the following website under Quick Links, Timber Bid Information: www.fs.usda.gov/ouachita The final advertisement will contain final minimum stumpage rates, bidding provisions, and other sale conditions.
