## OUTLOOK FIRE ON THE EVANSTON/MT. VIEW RANGER DISTRICTS

The Outlook fire is located on the west side, at the top of Henrys Fork narrows in Summit County, on the Mt. View Ranger District.

On Saturday, 7/16 the fire experienced strong winds from the south gusting up to 25 mph. Fire growth is estimated to be 1 to 1.5 acres on the south flank. Estimated total acreage is 7 acres. Moderate fire behavior with occasional torching. The biggest hazard will be the numerous beetle killed snags in the area. The 20 person Northern Utah crew arrived today and will begin work on hazard tree reduction on the north flank around the overlook trail Sunday, July 17.
