Dear Paul,

Thank you for your letter dated July 8, 2016. I have reviewed the project recommendations provided by the Uinta-Wasatch-Cache National Forest Resource Advisory Committee for approval for Title II funding.

I have reviewed and approve the projects recommended by the RAC in the order they were prioritized. We have sufficient Title II funding allocated to the forest to fund all projects recommended. I accept the recommendation by the RAC regarding the Tooele County Trails project and will not approve the project.

Thank you for your commitment and efforts to implement the Secure Rural Schools Act on our forest. Please express my appreciation to the RAC members for their efforts.

Sincerely,

/s/ David Whittekiend
