ANNA CREEK CABIN ADDED TO THE RENTAL PROGRAM

KALISPELL, MT-August 16, 2016- The Hungry Horse Ranger District is excited to announce that the Anna Creek Cabin is available to rent by the public, starting Wednesday, August 17th. This cabin is the only rental cabin in the Hungry Horse Reservoir area and provides an excellent base for multiple recreational opportunities. The Anna Creek Cabin rental season is June 1st through October 31st.

Anna Creek Cabin is located 22 miles south of Hungry Horse Dam on the west-side Hungry Reservoir Road #895. The Anna Creek Cabin is available to rent for \$75 per night and provides accommodations for 12 people, with a maximum group size of 15. The cabin has a propane heater, stove, refrigerator, and lights; as well as basic dishes, utensils and cooking pots and pans, and a vault toilet. Visitors need to bring their own bedding, water, and basic camping gear.

The Forest Service built the cabin in 1953 as part of the Anna Creek Work Center and used the cabin for administrative purposes until the 1990s. The Forest Service restored the cabin and updated the facilities to make Anna Creek cabin the 15th cabin rental on the Flathead National Forest.
