BRIDGE REPLACEMENT REQUIRES PARTIAL ROAD CLOSURE

KALISPELL, MT-August 18, 2016- Equipment will be mobilizing today in preparation for the replacement of the Jim Creek Bridge, located at milepost 3.15 on Forest System Road 888 (Peck Lake Road).

The road will be closed for three weeks, near the Jim Creek Bridge replacement section of road, from Tuesday, August 23 to Saturday, September 10, in order to remove the old bridge and construct the new bridge. Road closure signs will be posted on Road 888 (Peck Lake Road), at the intersections of Road 966 (Piper Creek), and Road 903 (Cold Lakes). Work on the Jim Creek Bridge will occur concurrently with gravel resurfacing on the same road.

For updated information on temporary road restrictions, and access on the Flathead National Forest, please contact the respective ranger district:

Spotted Bear Ranger District-(406) 758-5376

Hungry Horse/Glacier View Ranger District- (406) 387-3800

Tally Lake Ranger District- (406) 758-5204

Swan Lake Ranger District-(406) 837-7500
