Apache-Sitgreaves National Forests offices will close in observance of Labor Day on September 5

Springerville, AZ—August 31, 2016 – All Apache-Sitgreaves National Forests offices and ranger stations will be closed on Monday, September 5 in observance of the Labor Day Holiday. Regular business hours will resume Tuesday, September 6 from 8 a.m. to 4:30 p.m.

There are no fire restrictions on the Apache-Sitgreaves National Forests, but while camping and recreating, residents and visitors are asked to be aware of wildfire conditions in our area and take appropriate prevention measures. Remember, one less spark means one less wildfire. We want your experience on the Apache-Sitgreaves National Forests to be a fun and safe adventure, so please check road and weather conditions before traveling and watch for flooding during the monsoon season.
