Community Conversations

Berryessa Snow Mountain National Monument

View from Bald Mountain Lookout

The public is invited to participate in Community Conversations about the Berryessa Snow Mountain National Monument Management Plan.

The U.S. Forest Service and the Bureau of Land Management are hosting three community meetings for the planning efforts underway on management of the Monument.

Your interests and concerns are important. These conversations are an opportunity to express what you value in the Berryessa Snow Mountain National Monument.

Workshops will be open house format, with resource specialists providing information at individual tables and gathering input from the public.

All workshops will be from 5:30-7:00 pm
