16-28 – fund at 25,000 – motion and seconded; discussion; amended to \$26,000 – seconded; discussion; passed - unanimously
16-6 – fund at \$35,000 – motion and seconded; discussion; passed - unanimously
16-8 – fund at \$4750 – motion and seconded; discussion; passed - unanimously
16-9 – fund at \$5000 – motion and seconded; discussion; passed –unanimously
16-16 – fund at \$15,000 – motion and seconded; discussion; passed – unanimously
16-4 – fund at \$45,000 – motion and seconded; discussion; amended to \$22,500 – seconded; discussion; passed – unanimously
16-14 – fund at \$16,000 – motion and seconded; discussion; passed – unanimously
16-7 – fund at \$10,000 – motion and seconded; discussion; passed- unanimously
16-29 – fund at \$35,000 – motion and seconded; discussion; failed
16-29 – fund at \$20,000 – motion and seconded; discussion; unanimously
16-1 – fund at \$10,000 –motion and seconded; discussion; failed
16-1 – fund at \$15,000 – motion and seconded; discussion; passed – unanimously
16-3 – fund at \$15000 – motion and seconded; discussion; passed – unanimously
16-27 – fund at \$9000 – motion and seconded; discussion; passed -unanimously
16-17 – fund at \$3000 – motion and seconded; discussion; passed – unanimously
16-31 – fund at \$6500 – motion and seconded; discussion; passed – unanimously
16-22 – fund at \$10000 – motion and seconded; discussion; passed – unanimously
16-24- fund at \$8640 – motion and seconded; discussion; passed – unanimously
16-30 – fund at \$5000 – motion and seconded; discussion; passed – unanimously
16-34 – fund at \$9771 – motion and seconded; discussion; failed
16-13 – fund at 13,000 – motion and seconded; discussion; passed – unanimously
16-15 – fund at 17,000 – motion and seconded; discussion; passed – unanimously
16-19 – fund at \$8000 – motion and seconded; discussion; passed – unanimously
16-10 – fund at \$15000 – motion and seconded; discussion; passed – unanimously
16-26 – fund at \$14956 – motion and seconded; discussion; passed – unanimously
16-39 – fund at \$9819 – motion and seconded; discussion; passed – unanimously

Contingencies –

16-38 – fund at \$9600 – motion and seconded; discussion; passed
16-11 – fund at \$7700 – motion and seconded; discussion; passed

Group Requests –

CIRAC Accomplishments Report – need that for all projects (
Having books in advance is a huge help
Add column to spreadsheet if they were funded the year before

Field Trip

Best time? September

Try to minimize driving time; maximize # of projects to see – try to see the most we can

Photos would be good for weeds and trails – a before and see the after

5:00 Close Meeting
