CAMPGROUNDS: SPECIAL CONDITIONS AND ADVISORIES

NOTES: The water is on at Bull Prairie and potable. Bull Prairie Lake Campground is in the Fee Program with fees from \$14.00 per campsite for a single site \$19 per night for a double site and \$28.00 per group site. Fees collected are used to maintain and improve these campgrounds. Senior Passes do not cover double or group sites.

Bull Prairie's Operating Season – The primary camping season at Bull Prairie is Memorial Weekend through hunting season. After the campground hosts leaves and the water is turned off there will be a reduced fee: Single site \$12.00, double site \$16.00 and the group site will stay the same at \$25.00. Starting November 1 no fees will be charged and the park will not be maintained.

The campground host has left but the water is still turned on. We will continue to charge fees until the water is turned off sometime in October.
