

The Plumas National Forest is soliciting competitive offers for the Slate Creek Stewardship Project. The Slate Creek Stewardship Project is located within T. 20N, R 8E, Sections 22,25,26,27, and 35 M.D.B.&M. Sealed – “Best Value” offers will be received at the Plumas National Forest Supervisor's Office at 159 Lawrence Street, Quincy, CA 95971 local time on November 14, 2016 at 10:00 AM, for an estimated 3,557.73 CCF (1,985.31 MBF) of sawtimber marked or otherwise designated for cutting on 301 acres in 5 payment units. The mandatory stewardship work item is to cut and skid all biomass to the landing in units 1,2,3,4,5A . Units 5B and 5C are optional units to cut and skid all biomass to the landing. Chipping and removal of biomass is subject to agreement.

The Forest Service will evaluate competitive offers submitted by offerors who present a price offer and technical proposal according to the information found under the section in the offer titled “Instructions to Offerors.”

Evaluation factors for this project are organizational experience, organizational past performance, local community economic enhancement (including small business enhancement), understanding the Government’s requirements, and price. One award will be made to the offeror whose proposal is technically acceptable and whose technical/price relationship is the “best value” to the Government. The Forest Service reserves the right to reject any and all offers. Information concerning the timber and stewardship projects specific to this project, including the prospectus, offer form and sample sale area map, is available to the public from the Feather River Ranger District Office, 875 Mitchell Avenue, Oroville, CA phone number 530 532-8922 and at the FTP website below <http://www.fs.usda.gov/resources/plumas/landmanagement/resourcemanagement>
