Youngtown, AZ 85363

Dear Roger:

This letter confirms your request for non-use for the 2016 grazing season for the Wallace Allotment. Although I have approved non-use, as a reminder range improvement maintenance assigned to R.E.B. properties must still be maintained each year. If you have any questions please give us a call at (928) 535-7300.

Sincerely,

CHRISTOPHER JAMES  
District Ranger
