How to read our Temporary Job Listings

The Colville National Forest has dozens of upcoming temporary job opportunities in various fields and disciplines. The positions vary from our headquarters office in Colville to each of our district office locations.

How to apply: Go to: <https://www.usajobs.gov/> Apply from November 15-21. View the *2017ColvilleTempJobList* at the Job Opportunities tab for detailed information: <http://www.fs.usda.gov/colville/>

When viewing our *2017ColvilleTempJobList* you will see that it is organized by discipline and then categorized by position title, vacancy announcement number and location. See the example below for further explanation:

Position Title	Vacancy Announcement Number	Location
GS 04-Biological Science Technician (Natural Resources)	17-TEMP-R6-0404-4NATR-DT	Colville, Kettle Falls and Newport

Position Title: General name of job, which in the above example is Biological Science Technician. It is an easy way to look for various jobs. Do not stop looking after you find one as some jobs have similar names. USAJobs provides a general description of the work. Make sure you are searching USDA Forest Service when in USAJobs. When applying to our GS 04 Biological Science Technicians, **you will have the option to select plants, fisheries, hydrology, wildlife, and range.**

GS: This is the pay level for each positions. The Colville National Forest will be hiring GS 02s through GS 07s. You'll notice there are positions for the same job at different GS levels. The level you qualify for depends on your experience and/or education. OPM.gov lists all the GS levels and their corresponding salaries.

Vacancy Announcement Number: Although there are many ways to search for jobs in USAJobs, this number allows you to hone in on the specific job you are seeking. REMEMBER- there likely will be multiple locations available, and you'll need to select the specific location (s) for positions you are seeking.

Location: The towns you'll need to select for the associated positions available on our Forest.
