## **Temporary Employment Opportunities Coming Open Soon!**

**John Day, Prairie City, and Hines, Ore.** – The Malheur National Forest, located in Pacific Northwest Region of the USDA Forest Service, will soon be advertising temporary positions across the forest in November. The positions will be in specialties such as fire, silviculture, timber, recreation, fisheries, botany, wildlife, range and archeology.

Applicants interested in these jobs will be able to apply through [www.usajobs.gov](http://www.usajobs.gov). **This application submittal period for all 2017 temporary jobs in Oregon and Washington will begin on November 15, 2016 and end on November 21, 2016.** All applicants who have applied to the announcements on or before the listed cutoff date, and are found to be qualified and in the quality group, will be referred for consideration to the selecting officials by February 6, 2017.

Candidates can find out more information about temporary employment in the Pacific Northwest Region by visiting <http://bit.ly/2dzTc81>. For jobs specific to the Malheur National Forest, please visit <http://bit.ly/2datta0>.

Individuals interested in finding out more information about a specific position are encouraged to contact the hiring manager listed with the specific position posted in the outreach notice. Outreach notices for John Day, Prairie City and Hines, Ore. will be posted soon. Most current and upcoming Forest Service job opportunities across the nation can be found online at: <https://fsoutreach.gdci.com/Outreach>.

Additional information will be forthcoming. You can prepare now by having your USA Jobs account set up and ready with all your current information.

For more information on Malheur National Forest temporary employment opportunities, call 541-575-3000.
