

NOTICE

COHUTTA WILDERNESS CLOSURE

November 04, 2016

The entire Cohutta Wilderness Area in the Chattahoochee-Oconee National Forests (Georgia) and the Cherokee National Forest (Tennessee) is closed to public entry.

This closure has been put in place for public safety due to the increase in wild fire activity in the Cohutta Wilderness.

Closure Pursuant to 36 CFR 261.53(f) - Entering on or upon any road, trail or area which has been posted as closed to public access – see map.
