Lund’s Link Trail
High Cascades Ranger District
Telephone: (541) 560-3400
http://www.fs.usda.gov/rogue-siskiyou

LENGTH: 0.9 miles (one way)
SEASON: Winter
LEVEL OF USE: Light
ELEVATION: 4,600 feet

Information: Lund’s Link connects South Rye Trail to the Fish Lake Sno-Park. Use caution and always take off your skis when crossing Highway140, as getting up and down the snowplow berm can be a chore when there is plenty of snow.

Getting There: From Medford, OR, take Highway 62 north 10 miles to Highway 140. Turn right and travel east 30 miles to Fish Lake. Turn right onto the plowed access road, and continue 0.4 mile to the Fish Lake Sno-Park.

Considerations: Lund’s Link Trail is for Nordic skiing and snowshoeing. Dogs are not allowed on designated Nordic ski trails, and snowmobiles are prohibited.

Fish Lake Sno-Park has restrooms, parking for 35 vehicles, a picnic shelter, and is located near the Fish Lake Resort, which has cabins, a cafe, and a store that is open year-round. Please note that access to the snowmobile trails from Fish Lake Sno-Park is through Fish Lake Campground. Please enter and exit only at the trailhead bulletin board and stay on the marked/groomed trail.

You must have a valid Sno–Park permit displayed near the lower left corner of the windshield of your vehicle if you park in a designated winter recreation parking area (Sno–Park) between November 1 and April 30. Permits are sold at all DMV offices and by permit sales agents at various resorts, sporting goods stores and other retail outlets.
This map was created by the Oregon Nordic Club in cooperation with the Rogue River-Siskiyou National Forest.
