

CABINS ON PRINCE OF WALES ISLAND

Cabin Name	Total Nights Use							Annual* Average Nights Use	Condition/Needs
	2007	2008	2009	2010	2011	2012	2013		
Twelvemile			123	141	186	157	161	154	Great condition
Point Amargura	49	35	94	68	85	100	94	75	Great condition
Kegan Cove	80	84	0	1	95	96	73	88	Great condition
Troller's Cove	23	29	46	65	32	42	47	41	Fair condition, needs roof repair (scheduled for spring 2017), needs new woodstove
Kegan Creek	42	67	35	47	56	47	34	47	Fair condition, no major maintenance issues, flights in make it very expensive to maintain, trail between cabins is in very poor condition.
Josephine Lake	14	28	21	16	18	2	21	17	Fair condition, expensive to maintain, low use.
Black Bear Lake	17	29	19	17	35	8	20	21	Fair condition, expensive to maintain, low use.
Karta River	125	141	85	115	110	119	148	120	Good condition, needs a new deck.
Karta Lake	113	130	118	114	126	122	136	123	Fair condition, needs a new foundation, cabin is small for the high use it gets. There is a future need to replace the whole cabin, needs new skiff also.
Staney Creek	116	163	134	134	135	130	117	133	Good condition, cabin is small for the high use it gets.
Control Lake	87	73	41	88	92	115	91	84	Good condition. Dock replacement is scheduled for spring 2017.
Red Bay Lake	69	53	35	67	59	58	63	58	Good condition, needs new deck railings.
Sweetwater Lake	7	91	79	64	63	86	58	75	Good condition.
Salmon Lake	88	53	72	73	69	69	57	69	Good condition, though old; it is a historical cabin and so requires compliance with the National Historic Preservation Act.
Sarkar Lake	71	44	68	67	76	92	50	67	Good condition, needs new woodstove.
Salmon Bay Lake	56	41	47	28	53	35	43	43	Poor condition, needs new foundation, flights in make it expensive to maintain.
Shiple Bay	23	14	30	5	15	36	35	23	Good condition, could become more accessible from El Cap area with boat ramp improvements.
Honker Lake	17	27	10	18	14	13	26	18	Good condition, low use.
Barnes Lake	31	13	35	11	23	28	10	22	Good condition, low use.
* Since 2007, or the years following rebuild if applicable, and excluding major admin. use years									Ongoing need for ALL cabins: keeping firewood stocked adequately.
Polk Camp	Days Closed	Days Occupied	Avg. Length of Stay	Number of Visitors	Visitor's Days Used	Condition/Needs			
	35	158	4	195	941	Great condition, vault toilet and updated water system installed in 2016.			
	<i>Note that Facility Utilization Information for Polk Camp for 2015 does not follow the above format shown for other cabins; new as a recreation facility as of 2014.</i>								
Three-sided Shelters	Notes							Condition/Needs	
Memorial Beach	These two facilities have proven to be very popular recreation sites for POW with high use. There are no numbers for use on these since they are free and have no reservations; therefore there is no information from or tracking within the Nation Recreation Reservation System.							Great condition, new facilities as of 2012/2013.	
Winter Harbor									

Source: Use numbers come from Nation Recreation Reservation System, where cabin reservations are made on Recreation.gov website; and the National Visitor Use Monitoring survey.
