SEASON: Winter
LEVEL OF USE: Light
ELEVATION: 4,650 feet

Information: The South Rye sno-park is a small plowed area off of State Highway 140 near Fish Lake. It north of Highway 140 just east of the Summer Home sno-park. It is not a frequently plowed area as it is not on the Oregon State Sno-Park program.

Getting There: From Medford, OR, travel north 10 miles on State Highway 62. Turn right (east) onto Highway 140 towards Klamath Falls, OR. Travel about 29 miles and the Sno-Park is on the left, just after the Summer Home Sno-Park and before the intersection with Fish Lake Road.

Considerations: This is a smaller Sno-Park with enough room for approximately 8-10 vehicles. Water and Restrooms are NOT available. An Oregon State Sno-Park pass is not required at South Rye Sno-Park. South Rye Sno-Park is for Nordic skiers and snowshoers.

This Sno-Park is not always plowed out as consistently as the larger sno-parks in the area. Consider using the Fish Lake or Summit Sno-Parks if access is not well maintained.
