My name is Alayna Parsley, I am twelve years old and I am in 7th grade I live with my family in Whale Pass on Prince of Wales island.

I have an idea about a park with a trail plan. It could be placed anywhere near Whale Pass.

Some people may feel opposed to this plan, because in the process of developing the forest you would have to cut down some trees. Some elders in our town, would like our town to stay the same as it is. They don't like a lot of traffic or lots of people.

But I feel that it would be a good idea to have more parks and places for families to go. My family loves to go for walks on trails near Whale Pass. More families with children are moving here, we went from a school of ten to seventeen kids. It would be nice to have more trails and parks. As I said it would make a big difference to have more places for families to go and have fun.
