

## Parks District Highlights

### Check out these great roads and trails for OHV riding:

Willow Creek-Snyder Creek Trail #1226

Grizzly Helena Trail #1126

Radial Mountain Trail #1227

Illinois Pass Trail #M25

Illinois Ditch Trail #1228

Jack Park Trail #1186

Percy Lake Trail #1134

Wyoming Trail #1101

Aqua Fria Trail #1229

Camp Creek OHV Trail #1217

### Before You Go - Be Aware of...

- ♦ The mountain pine beetle epidemic has increased the risk of falling trees, be aware of your surroundings.
- ♦ OHV trails have a 50" width restriction.
- ♦ The stay limit is 14 days in a 30 day period.

Off-highway vehicles (OHVs) include motorcycles, dirt bikes, three-wheelers, ATVs, and dune buggies that are operated on public land or trails in Colorado and must be registered. OHV registrations can be obtained locally at the Moose Visitor Center in Gould or the Jackson County Sheriff's office.

Non-resident OHV permits can be obtained from Corkle's mini-mart (Shell station), or the Walden Conoco.

## Your Local National Forest

Parks Ranger District  
Medicine Bow-Routt National Forest  
100 Main Street  
Walden, CO 80480

## Colorado OHV Registration

### Requirements

All OHVs owned and operated in Colorado (including motor vehicles and motorcycles that are not licensed for public road access) must display a current Colorado OHV registration sticker when in a person's possession on National Forest lands or operated on any designated OHV trail or route in Colorado.

### Colorado OHV Use Permit

#### Requirements

All OHVs and motor vehicles (including motorcycles) that display a valid Colorado or out-of-state license plate must also display a current Colorado OHV use permit sticker when operated on any designated OHV roads or trails in Colorado. For more information go to:

<http://cpw.state.co.us/buyapply/Pages/RegistrationsOHV.aspx>

An adequate muffler and a Forest Service approved spark-arrester are mandatory on all OHVs.

### Age Restrictions

Persons under 10 years cannot operate OHVs on public roads. Operators between the ages of 10 and 16 must be accompanied by and under the immediate supervision (within direct visual contact) of a person with a valid driver's license.

## Don't Miss These Spots

### Willow Creek-Snyder Creek

This area of the Parks Ranger District provides numerous single track loop opportunities over a wide variety of terrain and has connecting trails to the Arapaho National Forest and the State Forest State Park.

### Parks District West Side

A number of trails offering challenging terrain for both single and two track OHVs can be found on the west side of the Parks Ranger District. Some of these trails provide access to high mountain lakes and sections of the Continental Divide. Trails on the west side include: Grizzly, Helena, Aqua Fria, Percy Lake, and the Wyoming Trail.

**In Jackson County**, an OHV may be ridden on open county and national forest roads as long as you meet state registration and licensing requirements.

**For more information give us a call! 970-723-2700**

**Remember to *Tread Lightly!***  
For more information go to:  
[www.treadlightly.org](http://www.treadlightly.org)

## Know Before You Go

### Travel Restrictions

Motorized travel on National Forest lands is allowed only on roads and trails designated on the Motor Vehicle Use Map (MVUM). The MVUM details when each route opens and closes for the season as well as what types of motor vehicles are allowed on each route. Public use of motor vehicles in a manner inconsistent with the MVUM is a violation of federal regulations at 36 CFR 261.13. If you have any questions please call or stop by the local district office.

**By law, motorized vehicles are not allowed in Wilderness.**

### Protect Your Resources

Nothing is more destructive to roads and trails than vehicular travel on wet ground. When wet, soil is soft and ruts develop easily from tire motion. Repeated use deepens the ruts. As the soil dries and hardens, ruts remain and become channels for water accelerating and increasing erosion.

## COLORADO

### STAY THE TRAIL PRACTICES

- ◇ Ride only routes open to your vehicle
- ◇ Know your width
- ◇ Ride over obstacles, not around
- ◇ Be an ambassador to non-motorized trail users
- ◇ Consider volunteering to protect your OHV opportunities
- ◇ Pack out your trash
