

Recreation Update 4/28/2021
Logan Ranger District
 1500 East Highway 89 Logan, UT 84321
 (435) 755-3620
 Office Hours: M-F 8-4:30

All dates provided in this update are subject to change based weather, flooding, road conditions, public health and safety concerns.

A road construction project planned for this summer could cause traffic delays along the Tony Grove road. There is a possibility that the road could be closed after August 15th. The Lewis M. Turner Campground will also be impacted by this project and will be closed for the month of June. We would suggest using Red Banks Campground as an alternative option during this time.

Guinavah-Malibu Campground will be closing September 6th for construction and campground improvements.

Campgrounds:

Campgrounds are concessionaire operated by the Utah Recreation Company. For additional information about campgrounds please call 385-273-1100.

Reservations:

Reservations can be made up to six months in advance for single sites, 12 months in advance for group sites. Please visit www.recreation.gov for more information.

Logan Cave:

The cave is gated closed. The cave was closed to the public on October 1, 1997 to ensure the viability of a rare and special biological community of Townsend's Big-Eared Bats that is located in Logan Cave. The bats are particularly vulnerable to human disturbance during their periods of mating, hibernation, and maternity colony, which runs from about October to August each year. The Big-Eared Bat is listed as a sensitive species by both the Forest Service and Utah Division of Wildlife Resources. To aid with protecting this species during their vulnerable period, it is prohibited to go into or within 250 feet of the mouth of the Logan Cave.

Guard Station:

The Blacksmith Fork Guard Station is typically available to rent year-round. Access is limited to over the snow travel (snowmobile, snowshoe, cross country skiing) December 1-April 15. Reservations can be made by visiting www.recreation.gov.

Firewood Permits:

The Logan Ranger District will be offering firewood cutting permits this year. These permits will be available mid-June. Please call the office at 435-755-3620 for more information.

Pallet Closure:

The pallet closure prohibits any firewood material containing nails, screws, or other metal hardware on the forest.

Dispersed Camping:

Visitors may camp for up to 14 days in any 30-day consecutive period in areas designated for dispersed camping. Please see the Logan Ranger District Motor Vehicle Use Map for these designations.

Stokes Nature Center:

Located in Logan Canyon, east of Logan on Highway 89. For more information visit their web page at www.logannature.org, contact them via phone at (435)755-2129 or email nature@logannature.org.

Cache Valley Visitors Bureau:

Located inside the Historic Cache County Courthouse on the corner of 200 North and Main in Logan. For more information visit their web page at www.explorelogan.com or contact them via phone at (435) 755-1890.

Certified Weed Free Hay:

To prevent the spread of noxious weeds into vulnerable ecosystems on National Forest System lands, hay, straw, and mulch must be certified weed free.
