**The designation “road or trail open to all motor vehicles”**
**in trail symbols, indicates that the road or trail is open only**
**to classes of wheeled vehicles 50” or less in width.**

**OPERATOR RESPONSIBILITIES**

Opening a motor vehicle on a National Forest System road or trail that is closed to motorized use may result in a fine of up to
$5,000, imprisonment for up to 6 months, or both (18 U.S.C.
§ 32). Violators of 36 CFR 261.13 are subject to a fine of up to
$5,000, imprisonment for up to 6 months, or both (18 U.S.C.
§ 32). Violators of 36 CFR 261.13 are subject to a fine of up to
$5,000, imprisonment for up to 6 months, or both (18 U.S.C.
§ 32)

**EXPLANATION OF LEGEND ITEMS**

**Roads Open to Highway Legal Vehicles Only:**

Any vehicle that is legal to operate on the road or trail, including
vehicle with gross weight in excess of 12,000 pounds. These
classes and seasonal designations may be indicated in the
Special Designation Table for further instructions.

**Motorized Trail Access:**

Motorized trail access is open to all motor vehicles. These
classes and seasonal designations may be indicated in the
Special Designation Table for further instructions.

**Trails Open to Wheeled Vehicles 50” or Less in Width:**

These trails are open only to motorcycles. Sidecars are not

**Trails Open to Non-Motorized Use Only:**

These roads are open only to motor vehicles licensed under
the laws for general property and all roads within the State.

**Roads Open to Highway Legal Vehicles**

Roads open to highway legal vehicles may also be passable by
motorcycles. These classes and seasonal designations may be
indicated in the Special Designation Table for further instructions.

**Unimproved Trail or Road:**

These roads or trails are passable only on foot or by nonmotorized
cycles. These classes and seasonal designations may be
indicated in the Special Designation Table for further instructions.

**Designated Road or Trail:**

Motorized use of designated roads and trails may be passable
only by motor vehicles licensed under applicable laws and
seasonal designations. These classes and seasonal designations
may be indicated in the Special Designation Table for further
instructions.

**Seasonal and Special Vehicle Designations**

Seasonal and special vehicle designations provide the road user
with additional information about seasonal and special vehicle
use when operating on designated roads and trails. These
seasonal and special vehicle designations are indicated in the
Special Designation Table for further instructions.

**Other Public Roads and Trails**

These symbols are used to indicate other public roads and
trails that are not included in the National Forest System, but
may be under the control of another public agency.

**Designated Lands, Trails, and Areas**

Designated lands, trails, and areas may also be subject to
temporary seasonal closures. As the forest changes with the
season, the natural environment may become hazardous or
impractical for recreation. Some areas are closed temporarily
for the health, safety, or welfare of the public. Some areas
may be closed temporarily to prevent the spread of
insects and diseases. Some areas may be closed temporarily
to allow for control, eradication, or removal of
pests, plants, or animals. Some areas may be closed temporarily
to prevent damages to natural and cultural resources or to
prevent damages to other property.

**Other Public Roads and Trails**

These symbols are used to indicate other public roads and
trails that are not included in the National Forest System, but
may be under the control of another public agency.

**Special Designation Table**

This table provides a list of seasonal and special vehicle
designations, their corresponding seasonal and special vehicle
classes, and seasonal and special vehicle designation dates.

**Seasonal and Special Vehicle Designations**

These symbols are used to indicate other public roads and
trails that are not included in the National Forest System, but
may be under the control of another public agency.
