Campgrounds are generally open from mid-May to September 30th. Some campgrounds open earlier in the season or close later. During the off-season there are no fees and no services and all garbage must be packed out. The stay limit for campgrounds is 14 days, except for at the Russian River Campground which has a 3-day stay limit from June 10-August 20.

## Reservations

Reservations may be made for specific campsites at the Russian River, Trail River, Williwaw, Ptarmigan, Cooper Creek, Porcupine, Tenderfoot, Granite Creek, and Quartz Creek Campgrounds. The Trail River Group site is also available for advance reservations.

**For reservations call: 1-877-444-6777  
or visit [www.recreation.gov](http://www.recreation.gov)**

Note that advance reservations for campgrounds are optional, but recommended especially for weekends. All campgrounds have first-come first-serve sites as well. Recreation.gov charges a booking fee in addition to the campground fee.

Most campgrounds have a few sites for large RVs, but unless specifically noted they are marginal. While there are no size restrictions, RVs 30-35 ft are easier to maneuver than larger ones. Williwaw and Quartz Creek are able to handle 60 ft RVs.

Backcountry camping is allowed, but limited to 14 days in one place.
