This Regional Order is necessary to protect public health and safety and to provide the public with consistent public health and safety restrictions in the Pacific Northwest Region.

PROHIBITION:

1. Using an explosive; including exploding targets. 36 CFR § 261.52(b)

An explosive is defined as any chemical compound, mixture, or device, the primary or common purpose of which is to function by explosion.

EXEMPTIONS:

Pursuant to 36 CFR § 261.50(e) the following persons are exempt from this Order:

1. Persons with a Forest Service permit specifically authorizing the otherwise prohibited act or omission.
2. Any Federal, State, or local officer, or member of an organized rescue or fire fighting force in the performance of an official duty.
3. Any person engaged in the use of black powder or other muzzleloader propellant, and the use of its associated ignition source, for legal hunting or recreational shooting with a muzzleloader. This exemption does not include the firing at or use of exploding targets.

The Regional Order shall be in effect until rescinded.

Done at Portland, Oregon this 21st day of August, 2013.
