SEASON: Winter
LEVEL OF USE: Moderate
ELEVATION: 4800 feet

Information: The Page Mountain Sno Park is a picturesque setting to enjoy the fun of winter! Located in the mountains above Cave Junction and the Illinois Valley, this is a great setting to have a winter outing with friends and family!

Getting There: From Cave Junction, OR, and Highway 199 South, turn left onto Caves Highway (OR Highway 46). At approximately 1.9 miles, turn right onto Holland Loop Road and continue for approximately 4.6 miles. Turn left onto Happy Camp/Grayback Road and continue for approximately 10.6 miles to Forest Road NF-48 (Indian Creek Road). Page Mountain Sno-Park will be on the left.

Considerations: You must have a valid Sno-Park permit displayed near the lower left corner of the windshield of your vehicle if you park in a designated winter recreation parking area (Sno-Park) between November 1 and April 30. Permits are sold at all DMV offices and by permit sales agents at various resorts, sporting goods stores and other retail outlets.

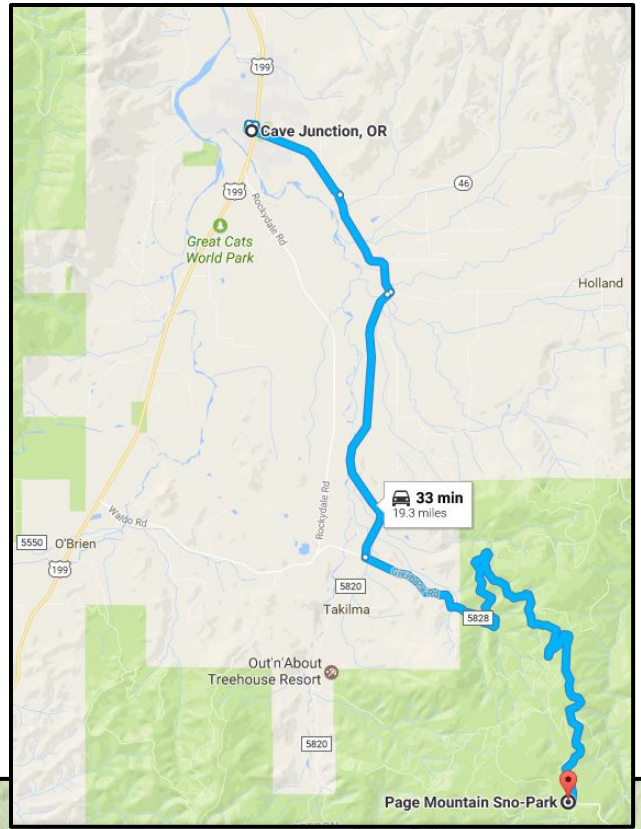

Use caution on the slopes when the snow is not fresh and there are a lot of visitors. The snow can freeze and crust quickly at this elevation, creating unsafe sledding conditions or excessive speeds.
