Find Your Summer Job

Paid Student Internships
The Forest Service is hiring interns for summer 2018. These paid internships are a great way for students to get job experience while enrolled in school. Internships are available across the country.

Internships
• Biological Science
• Business/Information Technology
• Engineering
• General Support
• Human Resources
• Office Support
• Physical Sciences
• Public Affairs/Visitor Information
• Social Science

Apply Online
Applications will only be accepted on www.USAGOV, March 12-16, 2018. Visit our website for internship locations and direct links to the application on USAJOBS.

Who Can Apply
Students currently enrolled in qualifying educational programs or institutions (high school to postgraduate level) can apply to these internships.

More Information
Full details about eligibility and the application process are available on the “Hiring & Recruitment Events” section of www.fs.fed.us/FSJobs. Contact us at recruitmentandhiring@fs.fed.us, or call Human Resources Management at (877) 372-7248, Option 2 for more information.
