**Map and Info can be found at:**

<https://www.fs.usda.gov/project/?project=53544>

## YOUR INPUT IS IMPORTANT

The Shasta-Trinity National Forest is seeking public input for a project that will address forest health in the Dubakella watershed.

## DUBAKELLA WATERSHED

Surrounds the community of Wildwood, California

## PROJECT FOCUS

The project will focus on treatments that address insect and disease issues in plantations within the watershed.
