## Pacific Coast Passport

*A cool way to cruise the Oregon Coast!*

### Easy and Convenient

- ◆ Passport covers entry and day use fees at all State and Federal fee sites along the Oregon Coast. It is for non-commercial use only and is not transferable.
- ◆ Buy just one passport per vehicle and avoid having to pay separate fees at each site you visit.
- ◆ Valid at over 15 sites along Highway 101, the Pacific Coast Scenic Byway.

### Economical

- ◆ What a bargain! Buy an annual vehicle passport for \$35 or a 5-day vehicle passport for \$10.
- ◆ Annual passports save you 50% off the normal price and 5-day passports represent a 33% savings from normal prices.

### Exciting

- ◆ Visit places ranging from the beautiful formal gardens at Shore Acres State Park to the wild, windy headlands of Cape Lookout State Park.
- ◆ Explore unique environments like the Oregon Dunes National Recreation Area (NRA).
- ◆ View lighthouses at Yaquina Head or Heceta Head.
- ◆ Discover natural and cultural history at Cape Perpetua and Yaquina Head Interpretive Centers, at Ft. Stevens and at Lewis and Clark NSHP, where the Corps wintered over 200 years ago.
