Pulpwood and Sawtimber being offered as timber subject to agreement consists primarily of White Spruce. The timber subject to agreement unit locations have been designated on Contract Area Map. The Dollar Bill Stewardship Project also includes 1 mandatory stewardship service item of site preparation for natural seeding. Detailed work requirements are located within KT- GT.9#; which is included within the sale package for review. Bids will be evaluated on a best value basis to the government. The successful bidder will be evaluated based on their technical proposal describing how mandatory stewardship service work will be completed as well as a Rate per Unit bid on each stewardship service work item and an Offer Rate bid for included timber within mandatory cutting units.

The Laurentian Ranger District timber staff will be available to prospective bidders that would like more information and guidance on filling out the technical proposal for this Stewardship Contract. If you would like further information on this project, please write or call the Laurentian Ranger District, 318 Forestry Rd, Aurora, MN 55705. (218)-229-8800.

Sincerely,

Ann Niesen
