

Bridger-Teton National Forest

SEASONAL POSITION OUTREACH NOTICE

The Bridger-Teton National Forest is filling some last minute positions for the 2018 summer season. Government housing may be available for some positions. These positions will be temporary, not to exceed 1039 hours. The positions will be advertised on USAJOBS: www.usajobs.gov.

Those that wish to be considered must apply to the corresponding announcement number by the close of business on ***the day the vacancy announcement closes. The closing date will be listed on the vacancy announcement.*** All applicants who have applied to the announcement on or before the listed closing date and are found to be qualified will be referred for consideration.

How to apply: Apply online at USAJobs.gov. This online application process allows applicants to submit employment information that can be printed for personal use and/or edited on the website for future use. If you do not have a USAJOBS account the system will help you establish one. Your account can be used for other federal job vacancies.

***Important:** If you wish to be considered for this position, you must apply prior to the closing date listed on the vacancy announcement. Please specify which duty location you wish to be considered for.

More Information on how to apply: <https://www.fs.fed.us/working-with-us/jobs/how-to-apply>

Timber

Forestry Aid/Technicians support the timber program throughout the forest. These positions are based out of the Big Piney Ranger District but can travel and work on various other districts on the forest. The duties will include collecting stand exam data and the marking and cruising of timber sales to support upcoming timber projects. A working knowledge of the use of all kinds of forestry equipment is needed to measure and collect data for stand exams and the marking and cruising of timber. Applicants must have good tree and plant identification skills and be able to use both tree and plant identification keys.

Other duties include hazardous tree removal in various campgrounds and recreational sites throughout the forest. Also may include reforestation surveys on various timber sales and past fires. Incumbents will also provide assistance in other resource areas when needed such as recreation, fire, and others.

Applicant will be required to operate 4-wheelers, drive pick-up trucks, and tow trailers in mountainous terrain. Weather varies greatly throughout the day and the summer season. Bring necessary boots and clothing to cover any type of weather. Incumbent will work 80 hours per pay period (2 weeks). Usually the work week will be 4, 10 hour days. The crew will travel to other districts to perform these duties.

If there are any questions please email or call!
