

2018 Outfitter/Guide Directory
Pinedale Ranger District
Bridger-Teton National Forest

06/20/2018

The following businesses listed in this directory are authorized to provide public services on the Pinedale Ranger District and operate under a special use permit administered by the United States Forest Service. As such, each business is an equal opportunity provider and is duly required to provide quality customer service, protect forest resources, and provide for public safety. It is illegal to conduct any commercial activity on National Forest system lands without a special use authorization. In addition, it is illegal to book an outfitter-guide for hunting related services unless the outfitter is licensed with the Wyoming State Board of Outfitters.
