TERMS OF ADOPTION

The following terms apply to all wild horses adopted under this Private Maintenance and Care Agreement:

- a) Adopters are financially responsible for providing proper care;
- b) Adopters are responsible, as provided by State law, for any personal injury, property damage, or death caused by animals in their care, for pursuing animals that escape or stray, and for costs of recapture;
- c) Adopters must not transfer animals for more than 30 days to another location or to the care of another individual without the prior approval of the Forest Service;
- d) Adopters must make animals available for physical inspection within 7 days of receipt of a written request by the Forest Service;
- e) Adopters must notify the Forest Service within 7 days of discovery of an animal's death, theft or escape;
- f) Adopters must notify the Forest Service within 30 days of any change in the adopter's address;

- g) Adopters must dispose of remains in accordance with applicable sanitation laws; and
- h) Title will remain with the Federal Government for at least 1 year after the Private Maintenance and Care Agreement is executed and until a Certificate of Title is issued by the Forest Service;
- i) Adopters are entitled to a replacement, if, within 6 months of the adoption date, the animal dies or is required to be destroyed due to a condition that existed at the time of adoption and if the adopter provides a veterinarian statement that certifies that reasonable care would not have corrected the condition. All replacements will be handled as a refund (completed within 2 weeks of notification) or a voucher for a replacement animal. A voucher is non-refundable; has a shelf-life of six months; can be applied to more than one animal; is non-transferable; has to be redeemed at the same type of event as the original adoption; and does not give the adopter any kind of preferential treatment. Additionally, the amount of the voucher has to be redeemed all at one time; non-used funds are forfeited; and bids above the voucher amount are due in full at the time of the adoption. This policy will only apply to replacement animals, and not repossessions or reassignments.

Failure to comply with these terms may result in the cancellation of the agreement, repossession of the animals, and disapproval of requests for adoption of additional animals. In addition, violation of any term of a Private Maintenance and Care Agreement is a prohibited act.

I have read and understand the above TERMS OF THE ADOPTION and PROHIBITED ACTIONS.
