# NOTICE

## Winter Storm Conditions

Cherokee National Forest

December 7, 2018

Snow and rain are predicted for much of northeast Tennessee in the near future. Because of the high probability of snow and inclement weather in the northern section of the Cherokee National Forest the Unaka Mountain Road – National Forest System Road 230 in Unicoi County has been closed. The road will be reopened when conditions improve and it is safe for public use.

National Forest visitors should be mindful that most national forest roads are narrow and are dirt/gravel. Motorist should exercise caution during inclement weather, especially during winter storm events.

Unaka Ranger District: 423.638.4109
