

## ROCKY MOUNTAIN REGION CAMPGROUND LIST

This Campground List contains all the Forest Service campgrounds located within the Rocky Mountain Region. The campgrounds are listed by State, National Forest/Grassland, and Ranger District. Base Minimum Camping Fees are listed, but we cannot show additional fees that may be applicable (hook-ups, etc.). Most Rocky Mountain Region campgrounds are open from Memorial Day through Labor Day. **To find a campground's Open/Closed status, contact the appropriate Ranger District office.** Campground locations are shown on each National Forest or Grassland Visitor Information Map and they can be viewed online at:

<http://www.fs.usda.gov/goto/r2/recreation/camping>

### FOR CAMPGROUND RESERVATIONS GO TO: RECREATION.GOV

1.877.444.6777

[www.recreation.gov](http://www.recreation.gov)

Campgrounds accepting reservations are marked with **\*R** under the column with the Recreation.gov logo above. All other campgrounds are **"First-Come / First-Serve"** and marked with **\*FC**. Typically, campgrounds accepting reservations (**\*R**) have a limited number of sites available on a **"First-Come / First-Serve"** basis. For any questions, contact the appropriate Ranger District Office.

Reservations may be made through the toll-free number or website listed above. To make a reservation, give the name of the campground, the National Forest/Grassland and your credit card information. There is a non-refundable \$9.00 fee for each site per reservation. Reservations must be made at least 5 days before your intended stay.

### PLEASE DON'T MOVE FIREWOOD

Destructive insects and diseases can get a free ride into our Region in firewood brought in from out of state or from home. Prevent the spread of tree-killing organisms by obtaining firewood at or near your destination and burning it on-site. For more information visit the Don't Move Firewood website at:

[www.dontmovefirewood.org](http://www.dontmovefirewood.org)

## ROCKY MOUNTAIN REGION CAMPGROUND LIST

This Campground List contains all the Forest Service campgrounds located within the Rocky Mountain Region. The campgrounds are listed by State, National Forest/Grassland, and Ranger District. Base Minimum Camping Fees are listed, but we cannot show additional fees that may be applicable (hook-ups, etc.). Most Rocky Mountain Region campgrounds are open from Memorial Day through Labor Day. **To find a campground's Open/Closed status, contact the appropriate Ranger District office.** Campground locations are shown on each National Forest or Grassland Visitor Information Map and they can be viewed online at:

<http://www.fs.usda.gov/goto/r2/recreation/camping>

1.877.444.6777

[www.recreation.gov](http://www.recreation.gov)

Campgrounds accepting reservations are marked with \*R under the column with the Recreation.gov logo above. All other campgrounds are "First-Come / First-Serve" and marked with \*FC. Typically, campgrounds accepting reservations (\*R) have a limited number of sites available on a "First-Come / First-Serve" basis. For any questions, contact the appropriate ranger district office.

Reservations may be made through the toll-free number or website listed above. To make a reservation, give the name of the campground, the national forest/grassland and your credit card info. There is a non-refundable \$9.00 fee for each site, per reservation. Reservations must be made at least 5 days before your intended stay.

### **PLEASE DON'T MOVE FIREWOOD**

Destructive insects and diseases can get a free ride into our Region in firewood brought in from out of state or from home. Prevent the spread of tree-killing organisms by obtaining firewood at or near your destination and burning it on-site. For more information visit the Don't Move Firewood website at:

[www.dontmovefirewood.org](http://www.dontmovefirewood.org)
