The Mt. Pinos Ranger District has numerous off-highway vehicle routes. These include a number of very popular trails and riding areas such as Ballinger Canyon and Deer Park Canyon. Trail numbers correspond to the Mt. Pinos Motor Vehicle Opportunity Guide. Check the guide for additional information for all trails.

Please note that a properly installed Forest Service approved spark arrester is required on all vehicles operated on Forest Service OHV trails. State law requires that all vehicles including motorcycles must be registered. Helmets are required for operators and riders of motorcycles, ATVs, and UTVs on federal lands.
