complaint filing deadlines vary by program or incident.

• Bitterroot National Forest web pages:

The designations shown on this motor vehicle use map are for information and navigation purposes only. They do not modify or replace the legal or regulatory requirements of operating a motor vehicle on National Forest System roads. The posting of these symbols does not imply any recommendation or endorsement of the use of UAS in any program. Always exercise good judgment when operating a UAS.

The designations shown on this motor vehicle use map are for information and navigation purposes only. They do not modify or replace the legal or regulatory requirements of operating a motor vehicle on National Forest System roads. Designations shown on this motor vehicle use map are subject to change without notice and should always be considered in conjunction with federal, state, and local laws and regulations. This motor vehicle use map is not a legal document and should not be relied upon as such. The United States Department of Agriculture, Forest Service assumes no liability for use of this motor vehicle use map or for any action taken in reliance on the information herein.

A Symbol indicates a trailhead for access to a motorized area. This symbol is used to display the beginning and ending milepost of a road that has a change in the designation along designated routes and at facilities associated with roads. This symbol indicates a trailhead for access to a motorized area. This symbol is used to display the beginning and ending milepost of a road that has a change in the designation along designated routes and at facilities associated with roads.
