

Intermountain Region 4 Fire Hire Outreach Notice—Fire Positions

GS-0462-**04** thru GS-0462-09

October 2, 2019

This Intermountain Region Fire Hire Outreach replaces previous versions sent beginning September 1, 2019 and outlines new direction for R1/R4 Fire Hire utilizing the Direct Hire Authority, which has been granted by OPM for the Forest Service to fill critical positions in an accelerated manner.

Please note the new announcement numbers and new opening and closing dates. Changes within this outreach are denoted by bold and underlined text.

The Intermountain Region is looking for a committed, hardworking, highly skilled workforce to suppress wildfires and work in fuels management on 12 National Forests located in Idaho, Nevada, Utah, Wyoming and California. The fire and aviation management program is very rewarding and requires talented people working safely as part of a team in a variety of specialized positions; including dispatch, engine crews, fire & fuels management, hand crews, helitack, interagency hotshot crews, prevention and smoke jumpers. The Fire Hire program is implemented to streamline the hiring process for permanent fire positions providing consistent hiring around the Region and throughout the agency. This hiring process assists the National Forests in the Intermountain Region to fill vacancies in a more efficient, timely manner.

This outreach is for **GS-0462-04** through GS-0462-09 current career permanent fulltime and permanent seasonal fire and fuels positions. The vacancy announcements for these positions are posted on the U.S. Government's official website for employment opportunities at [USAJobs.gov](https://www.usajobs.gov). These are national vacancy announcements with a specific opening and closing date. The vacancy announcements will be open for applications on **October 8, 2019**. Those who wish to be considered for these positions in the Winter Fire Hire event must apply to the vacancy announcements by the closing date of **October 29, 2019**.

The certificates of candidates for these positions will be issued to the selecting officials on or about **January 6, 2020**. All applicants who have applied to the announcements on or before the listed closing date and are found to be qualified and in the quality group will be referred for consideration. While these are the current vacancies available throughout Intermountain Region and throughout the agency, please apply to any position and duty station you may be interested in as those positions may become vacant through the Fire Hire process. Applicants should check the status of their application during this time in your USAJobs account.

On the R4 Fire Hire web page, <https://www.fs.usda.gov/detail/r4/fire-aviation/?cid=STELPRDB5375168> there is a list of vacant positions and positions that have the potential to become vacant during the winter Fire Hire event.

Please respond to the outreach if you are interested in filling a vacant position through the Fire Hire process. Your response is important. **Please address your outreach response to the contact listed for each location.** Additional information about the position is available from the direct supervisor.

Step1 – Create a USAJOBS account

(If you do not already have one) at www.usajobs.gov. It is recommended that as part of your profile you set up automatic email notification to be informed when the status of your application changes. If you choose not to set up this automatic notification, then you will have to log into your USAJOBS account to check on the status of your application.

Step 2 - Create a Resume with USAJOBS or upload a Resume into your USAJOBS account.

You may want to customize your resume to ensure it documents duties and accomplishments you have gained that are directly related to this position in order to verify that qualifications are met. In addition, your resume must support your responses to the online questionnaire (you may preview the online questionnaire by clicking on the link at the end of the How You Will Be Evaluated section of the job announcement).

Step 3 - Click "Apply Online"

Follow the prompts to complete the Occupational Questionnaire and attach any additional documents that may be required. You can update your application or documents anytime while the announcement is open. Simply log into your USAJOBS account and click on "Application Status." Click on the position title, and then select "Update Application" to continue.

The following documents must be submitted to constitute a complete application package. It is your responsibility to ensure that all required documents are received within the required timeframes. Our office cannot be responsible for incompatible software, delays in the mail service etc. Failure to submit required, legible documents will result in elimination from consideration.

Resume that includes the following information: 1) job information for which you are applying; 2) personal information; 3) education; 4) work experience; and, 5) other qualifications (including IQCS Master Record).

College Transcripts if education is required for meeting basic qualifications and/or you are substituting education for specialized experience. An unofficial copy is sufficient with the application, however, if selected, an official college transcript will be required.

SF-50 Notification of Personnel Action if you are a current or former Federal employee that will verify your federal status, position title, series and grade. FSA County employees must provide the most recent notification of Personnel Action (Form SF-50-B or FSA-50) that verifies permanent status. Also provide the SF- 50 that reflects the highest grade level held on a permanent basis or the full performance level of your current position, whichever is higher.

Annual Performance Appraisal if you are a current Federal employee. Submit the most recently completed annual performance appraisal (dated within 18 months) which identifies the employee's official rating of record, signed by the supervisor, or a statement advising why the performance appraisal is unavailable. Do not

submit a performance plan.

Certification of Disability if you are eligible for appointment based on a disability under the Schedule A hiring authority. This certification can be documented by a counselor from a State Vocational Rehabilitation Agency or the Vocational Rehabilitation and Employment Service of the Department of Veterans Affairs; by a statement or letter on a physician/medical professionals letterhead stationary; or by statements, records, letters from a Federal Government agency that issues or provides disability benefits. The certification must verify the applicant has a severe disability, is eligible under a Schedule A appointment authority, and he or she is able to perform the essential duties of the position. The certification must also describe any needed reasonable accommodation. You can review additional information at: [Federal Employment of People with Disabilities](#).

Proof of Eligibility if you are eligible for appointment based on service in the Peace Corps, Vista, Action Cooperative, or another special authority.

CTAP/ICTAP documentation if separated from Federal service or pending separation based on a reduction in force (RIF) or other management workforce reduction action. IQCS Master Record showing your training and qualifications for the position. If an IQCS Master Record is not available, some form of documented proof of training and qualifications will be needed for most positions.

NOTE: If a document is resubmitted, it replaces the previous submission, which means the previous document is no longer available to the Human Resources Office. If you are adding to, rather than replacing a previous submission, you must upload both the old document and the new document.

Ensure your resume matches the listed specialized experience requirement in plain language. This should be listed under a work experience that shows title, series, grade and time period performed so that HR can properly credit. Ensure all SF-50's showing on-boarding /off-boarding and performance for each time period or statement as to why missing that time period is properly loaded into USA Jobs.

Ensure all required documents listed in the vacancy announcement are attached to your application.

Allow yourself plenty of time to apply for positions. The USA staffing system closes all announcements at midnight Eastern time on closing date.

Print and read the entire vacancy announcement to ensure you have included all required information and documents.

Ensure you have a current IQCS Master Record (For Fire Positions Only)
