VAIL PASS Winter Recreation Area

WELCOME TO THE VAIL PASS WINTER RECREATION AREA

This recreation area is managed by the USDA Forest Service as part of the Federal Government. It is a valuable resource for outdoor enthusiasts, providing a wide range of activities and opportunities for healthy, active lifestyles. The area is open to the public, and is staffed by experienced rangers who are knowledgeable about the area's natural resources and safety. Visitors are encouraged to respect the environment and the wildlife that inhabit the area. By following these guidelines, we can ensure that the Vail Pass Winter Recreation Area remains a valuable resource for generations to come.

NOTICE TO BACKCOUNTRY TRAVELERS

If you are a backcountry traveler, please remember that backcountry travel is an activity that is not for everyone. You should be prepared for weather, safety, and medical emergencies. It is important to have the proper equipment and knowledge to navigate the backcountry safely. Make sure you have a map, a compass, and a GPS device. It is also important to carry a first aid kit, extra food and water, and extra clothing. Make sure you are familiar with the area and the weather conditions. It is also important to let someone know where you are going and when you expect to return. Always carry a whistle and a flashlight. Make sure you are prepared for any unexpected situations.
