## Humboldt-Toiyabe National Forest Ely Ranger District Christmas Tree Permit Sale Regulations

1. Permits for harvesting a Christmas tree from the Ely Ranger District are available for sale at the following location beginning Nov. 1, or the first business day thereafter, thru Dec. 24.
2. Each permit allows the harvest of one tree at a cost of \$5.00 per tree. A family may purchase a maximum of five (5) permits. Permits are valid only in the possession of the purchaser or an authorized agent. Permits expire December 24.
3. Christmas Tree harvesting on the Ely Ranger District may take place anywhere that is outside of an established campground, outside the Murry Watershed area, and outside of all Wilderness areas. Cutting must take place at least 50 feet from a road. Resource protection makes these restrictions necessary.
4. Only **White Fir** or **Pinyon Pine** trees may be cut. **NO** Bristlecone may be harvested.
5. Tags must be attached to the tree at the cutting site. (can take it off when you get it home)
6. Only whole trees can be harvested. Trees to be cut must be less than 15 feet tall.
7. Maximum stump height is 4".
8. All slash must be scattered.
9. **All sales are final** (not subject to refund).
