

2020 Proposed Recreation Projects

Deweyville Trail/Kayak Access

Location of Deweyville Trail (red), approximately 300 yards from road to shoreline. Improve trail to function as a sea kayak access point; access to El Capitan Passage. Image sourced from Alaska Mapper (<http://dnr.alaska.gov/mapper/>).

Pullout of Deweyville from the Trailhead, approximately 100 yards.

North end of pullout at Deweyville. Pullout is approximately 100 yards south of the parking area.

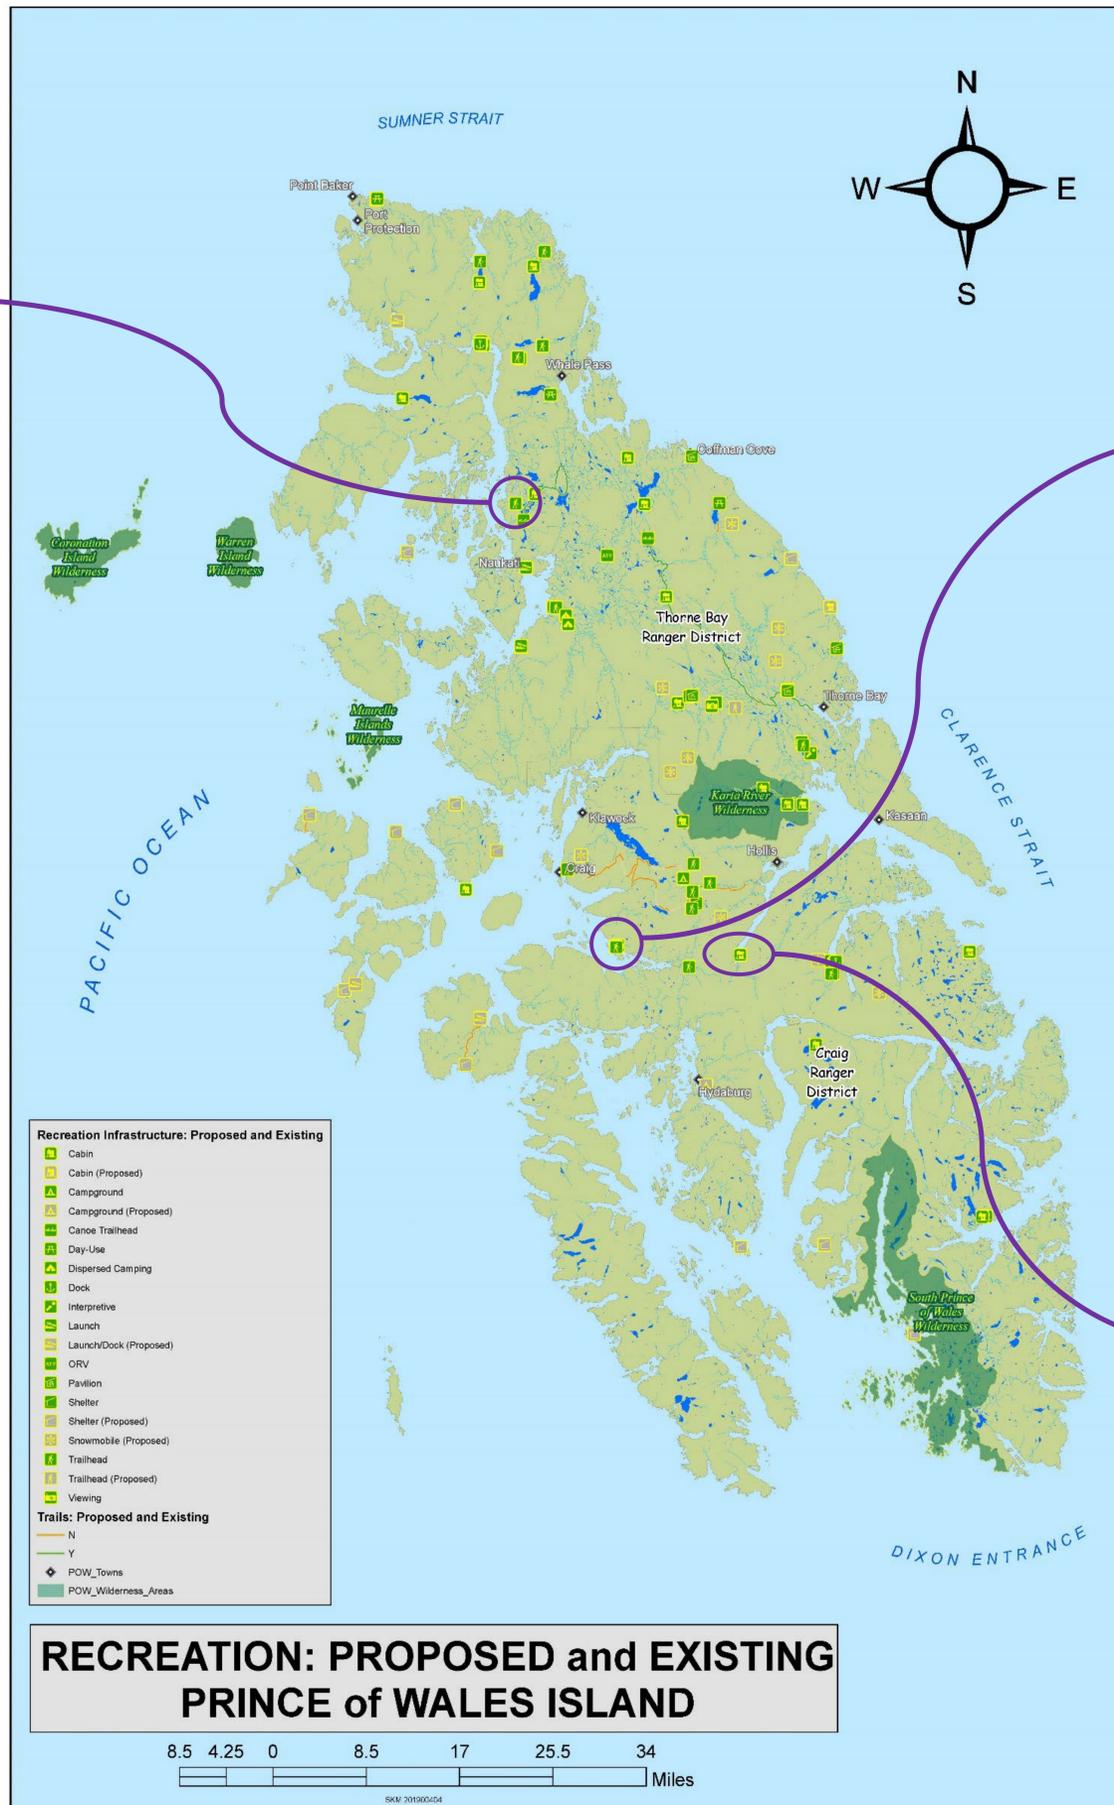

Deweyville Trail Head.

Deweyville Trail Head.

Deweyville Trail Head.

Canoe Point Trail Maintenance

Location of point features at Canoe Point. Trail(s) connect all three points. Image sourced from Alaska Mapper (<http://dnr.alaska.gov/mapper/>).

Twelve Mile Arm Cabin Administrative Road

Location of Twelve Mile Arm Cabin

Purpose of the administrative road is to replace the outhouse with a vault toilet. This will increase the availability of the cabin as well as decrease the maintenance time.

Existing facilities
