

Final 2019 Reconstruction Update National Forest System Road 427

The N. segment of National Forest System (NFS) RD 427 from the Warm Lake HWY intersection-N. Shore intersection will remain closed through project completion in 2020.

The remainder of NFS RD 427 is now open. When work resumes in the spring, as weather permits, time restriction closures will go into effect.

PLEASE NOTE: A road closure is in place **Monday through Friday** from 8 a.m. to 11:30 a.m. and 1- 5 p.m. daily.

⇒ Road closures will not be in place through the weekends.

⇒ Dispersed camping is **CLOSED** for the duration of the project (including weekends).

Upcoming work scheduled:

- Project work will begin as soon as weather permits in the spring of 2020.
- Work remaining is primarily backfill, from Kinney Point intersection South to the 474 Intersection

Purpose of the project: To widen the roadway, construct road shoulders, install additional drainage culverts, relocate utilities, and provide aggregate and asphalt surfacing.

Completed work:

- Roadway has been excavated or filled to the new subgrade-to the Kinney Point intersection.
- Aggregate has been placed on the road to the intersection with Kinney Point.
- The first treatment of hydro seeding for vegetation has been completed.
- Culverts have been installed in the intersections within the summer home area.
- The project has been prepared for spring runoff conditions; with drainage structures in place.
