Forest Road Check List

Watch for & obey posted speed limits. Forest Service roads can be narrow, rocky, & not meant for high speeds.

Be careful braking on gravel roads. Allow more time and distance when coming to a stop.

Beware of rocks, boulders, road washouts, downed trees and brush on the roadway.

Use appropriate tires for the terrain and conditions you'll be traveling.

Remember to stay on authorized roads.

Plan appropriately for food, gas, and lodging, which may not be readily available along Forest Service roads.

Always carry extra food and water.

Always let someone know your plans and stick to those plans.
