PURPOSE AND CONTENTS OF THIS MAP

It is the responsibility of the user to accurately determine the type of use allowed on a given road or trail. The user can do so by consulting the administrative boundaries and the corresponding designations for motorized use. These symbols are part of the dispersed camping and/or game retrieval. For Civil Rights, 1400 Independence Avenue, SW, for information on non-discrimination policies. The designations shown on this motor vehicle use map are the result of the implementation of the Motor Vehicle Access, Recreation, and Conservation Act of 1984 (Public Law 98-609), the Forest Service travel management regulation.

PROHIBITIONS

Motor vehicles are prohibited in riparian areas, streams or wetland areas except at a speed not to exceed 5 mph. Motor vehicles may be restricted in some areas due to adverse weather conditions such as snow, mud, vegetation, and water crossings. All Federal, State, and local laws and regulations apply to motor vehicle use and must be followed. You can contact the Forest Supervisor, Kaibab National Forest, or your local national forest office for more information on motor vehicle use.

OPERATOR RESPONSIBILITIES

Users are responsible for preparation and travel in compliance with the provisions of this map. Users are responsible for following all legal and regulatory requirements, including State requirements for licensing, registration, and travel permits. They are also responsible for following all conservation laws.

INFORMATION SOURCES

This map was created using the latest available data from various sources, including the United States Geological Survey, the Bureau of Land Management, and the Arizona Department of Transportation. It includes important information such as locations of water bodies, topography, and roads.
