

# Davy Crockett National Forest

## Ratcliff Lake Recreation Area Campground Host Opportunities

The Davy Crockett National Forest is seeking interested candidates to volunteer as campground hosts at Ratcliff Lake Recreational Area, located in Ratcliff, Texas. The picturesque Ratcliff Lake, open year around, offers camping, fishing, swimming, picnicking, boating (non-gasoline motors only) and hiking. The recreation area provides flush toilets, hot showers and electric hookups.

Campground hosts provide 24 hours of service per week. Services include cleaning picnic areas, shelters and bathrooms, mowing, weed-eating, minor repairs, and interacting with the public.

Although the district seeks year-round recreational hosts, shorter terms of hosting will also be considered.

If you are interested in one of these exciting volunteer campground host positions, contact Natural Resource Specialist, Bobi Stiles, or District Ranger, Jimmy Tyree, for an application. Additional information may be found at [www.volunteer.gov](http://www.volunteer.gov).
