2020 ANNUAL OPERATING INSTRUCTIONS

Winchester Allotment #424

Prepared By: /s/ DK Brown **Date:** 01/09/2020
District Range Specialist

Approved By: /s/ Erick Stemmerman **Date:** 01/09/2020
District Ranger

Annual Operating Instructions

I. INTRODUCTION

Kendall Brown (Forest Service), and Jayce Lunt (permittee) met on January 09, 2020 to discuss management of the Winchester Allotment during the current grazing year and to plan grazing management for the upcoming grazing season. These Annual Operating Instructions are the result of that discussion.

Term Permitted Livestock Numbers

Number and class of livestock	Dates
100 Cattle-Cow/Calf	03/01 – 02/28

Winchester Allotment Annual Authorization

Number and class of livestock	Dates
*75 Cattle-Cow/Calf	03/01 – 02/28

* Permittee stocks at less than Term Permitted due to the lack of available livestock water.

Winchester Allotment Pasture Rotation

Class of Livestock	Scheduled Rotation Date	Pasture
Cow/Calf	03/01 – 02/28	Upper, Grapevine, Waterhaul, and Dark Thunder, North Holding, Little Pasture *
Cow/Calf	03/01 – 02/28	
Cow/Calf	03/01 – 06/30 09/01 – 02/28 Until allowable use is reached (moderate)	Tillie Hall and Pine Cienega wildlife plots.

* Until allowable use is reached. Permittee will achieve seasonal deferment by moving livestock when allowable use rates are approached in specific areas.

The above schedule for stocking the allotment depends upon the availability of forage and water. Some flexibility in the above pasture rotation dates will be allowed for justifiable causes such as weather conditions, livestock management needs, and range conditions. If there is a need to deviate from the above pasture rotation schedule by more than 15 days, you must notify the Ranger District of the proposed change in the pasture rotation date and the reason for the change. A deviation from the above schedule of more than 15 days must be approved verbally or in writing. Credit/Refund applications will not be processed unless District personnel have been notified either in advance or at the time of removal of stock.

II. MANAGEMENT OF LIVESTOCK

The permittee is responsible for monitoring water availability and forage utilization. It is the permittee's responsibility to move livestock when sufficient water is no longer available or when proper forage utilization is achieved in a pasture. The permittee is

responsible for keeping track of and maintaining control of your livestock. In the event livestock are found to be out of the scheduled pasture, it is required to find, gather, and return those animals to the proper pasture as soon as possible.

III. IMPROVEMENT MAINTENANCE

All range improvements assigned in the 10-year Term Grazing Permit should be maintained in a functioning condition. In the event these improvements cannot be brought up to a functioning condition, you should notify the Range Staff at the Glenwood Ranger District to schedule them for reconstruction as funds become available.

You want to clean Winchester, North Pasture, Dark Thunder, Turkey Springs (3 tanks), and Dan Neil Tanks. Clearance has been given.

IV. SPECIAL MANAGEMENT CONCERNS

You encourage the District to consider thinning of the PJ and brush and/or burning to reduce densities on the allotment.

V. MODIFICATIONS

If unforeseen operational conditions require a change in the management specified in this AOI please contact rangeland management personnel at the Glenwood Ranger District. Change requests should be made in advance so that field inspections (if necessary) can be conducted. Approval of changes to this AOI may be verbal or written, depending on the nature of the change requested. Verbal changes will be documented to your file for record keeping purposes. Failure to follow the direction provided in this AOI, or other instructions (verbal or written) of a Forest Officer may lead to adverse action against your Term Grazing Permit (Part 1, Section 3 of your Term Grazing Permit).

Open and positive communications concerning all AOI content is encouraged. Feel free to contact Kendall Brown if you have any questions or concerns.
